Report of Principal and School Improvement Council

Dear Parents,

This school year has been a great success in so many ways. We pride ourselves at Berry Shoals in being academically driven. Not only did we work hard to offer rigorous curriculum that challenged every learner, but we also continued to focus on teaching the whole child through enriching activities and service.

Our students at Berry Shoals worked very hard in all areas to do their best. Teachers spent countless hours writing teaching units and preparing for the new standards in Language Arts and Math. Staff development for teachers centered on providing a challenging and appropriate education for each child. Using research-based best teaching and learning practices, our students were able to continue to improve in all core academic areas. Through the hard work and dedication of our students and staff, our school has earned numerous awards and recognitions including the Palmetto Gold Award for Academic Achievement.

Along with an excellent academic program, students had many opportunities to participate in performing and related arts. Students in band and orchestra earned Superior Ratings at their Solo and Ensemble and Concert Festival events. Several students were also selected to participate in their Region Bands and Orchestras. In addition, the Sixth grade Wind Ensemble performed at the South Carolina Music Educators Conference, in Charleston, SC, one of the top honors that a performing ensemble can receive. Students participated in numerous drama productions and chorus and music programs. Walk through the building, and you will always see exceptional work by our art students. Although each work of art is unique, collectively, they made our building look beautiful.

In addition to academics and the arts, students developed citizenship attributes through service to our school and community. Berry Shoals is pleased to report that 100% of faculty, staff and students participated in hall and school-wide service learning projects. Hall projects ranged from supporting the local food banks and Ronald McDonald Houses to recycling all the paper and plastic products consumed in our school. Our nationally recognized Beta Club kept Shoals Road litter-free and our student council worked with the Greenville Zoo. Our school-wide service learning project was Jump Rope for Heart for the American Heart Association, and the faculty Relay for Life Team raised funds to support The American Cancer Society. These service learning projects supported academic activities as well as served to instill a sense of community and responsibility in each of our students.

Our pledge to our community is to continue to strive to improve our overall student achievement and school success while working hard to meet the individual needs of the whole child. Our school appreciates and thanks the support of our PTO, School Improvement Council, local businesses and all who supported our efforts at Berry Shoals Intermediate School.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Berry Shoals Intermediate School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
